SMALL LOAN LENDER FORM 399-A-AR

ANNUAL REPORT - GENERAL INSTRUCTIONS

1. Information provided in this form is aggregated and an analysis is published by the New Hampshire Bank Commissioner in his Annual Report to the Governor and Executive Council. The accuracy of the information is also important because it will be used by the New Hampshire Banking Department ("the department") if assessment calculations are needed.
2. All Small Loan Lenders licensed in accordance with NH RSA 399-A during any period of time during the preceding calendar year must complete and file this report with the department on or before February 1st of the ensuing year. All annual reports for calendar year 2004 must be received by the department on or before the close of business on Tuesday, February 1, 2005.
3. All items on the form must be completed; do not leave any blanks. Reports with blanks are incomplete and will be deemed as "not filed" for purposes of any penalty. If an item is not applicable to the type of business conducted by the licensee, enter "N/A", "none", "O", or "zero".
4. Work papers used to calculate and compile the information required by this form must be retained and made available when the licensee is examined by the department.
5. This report must be filed if a license was held for a portion of the reporting year and must be filed even if no loans were made. The originally signed and notarized report must be physically delivered to the department; we cannot accept fax transmissions of reports. Failure to file the annual report or late filing of the annual report results in a statutory penalty of \$25 per day for each day the report is overdue.
6. No fee is required to file this annual report.
7. Information in this report must be provided for the total amount of small loan business conducted by the licensee in all jurisdictions as well as the total amount of New Hampshire ("NH") small loan business conducted by the licensee during calendar year 2004. Amounts reported for NH loans should include all loans made in NH and/or all loans made to NH consumers located in NH.
8. Schedule A: Include each small loan transaction done by the company during 2004 only once on this form. For each small loan, first select whether the transaction was a title loan, a payday loan or another type of small loan and include the loan in the selected category. Add up the total of the three types of loans for the 4th line on Schedule A. The last line on Schedule A should reflect only what is actually outstanding on the books of the lender on December 31, 2004.
9. The form requests a list of all offices located outside of NH where NH loans are made. We already have current information on the principal office and on all NH branch offices, so this section of the form is seeking to identify locations where NH loans are made, purchased or assigned that are located outside NH and therefore are not required to be licensed.
10. The form requests information as to the total number of employees of the licensee at year end. Include all employees of the licensee, wherever they are located and no matter what function or in what capacity they serve. The second part of the question seeks information about employees who work in NH.
11. Information about loans should be provided for the calendar year 2004. Information about the company, its address, locations, officers, owners, number of employees should be provided as of December 31, 2004.
12. Gross revenue figures should reflect the aggregate of all income earned by the licensee for small loan transactions before expenses.
